Tammany will head the process the big inauguration parade in Washington. It is to be observed that Tammany is very largely at the front nowa

Governor Flower's idea that quaran Governor Flower's lice that quaran-tine is not a National matter lacks con-sistency. The coast line is certainly a National affair, and the means for guarding it against pestilence

The whole country would rejoice if Mr. Cleveland were to take a few falls out of Tammany. But the tiger is slick and sinewy, and, alas, Grover is fat and slow, and the country's plaudits will be stayed.

It is kind of the Third party in Kan sas to "concede" the organization of the Legislature to the Republicans. It is much as if Messrs. Smith and Jones should "concede" Farmer Brown's right to cultivate his own cornfield.

It must have been a campaign liar out of a job who started that gory tale about a wholesale riot and massacre in North Carolina. The story was full of gunpowder and blood, but they did no killing outside of the author's sangui-

If any wicked express company im agines that it can corrode Mr. Cleveland's highly polished anti-corporation sentiments by sending him a free pass it is badly mistaken, that's all. Mr. Cleve-land does all his business by slow MISS LIDA L. S. SCHATZMANN, who has been confined to her home on East Fifth street for the past six weeks, we are glad to learn is able to be out again. freight, and those who are waiting for Cabinet consignments can testify.

JOSEPH WHYDE, wife and two childres were sent to friends at Ashland by the Associated Charities of Cincinnati They lost their shanty-boat in the break up there. Senator Vest of Missouri calls Indian ssioner Morgan "a narrow-minded bigot," but there's no use getting mad at anything Vest says. Only a little while ago he announced that he was THE late Captain James M. Chenoweth, whose death at Birmingham, Ala., was noticed in THE LEDGER, was buried at Covington, his former home, yesterday afternoon. going to institute "a war of exterminaupon the protected industries," but people didn't get scared or angry.

They knew that Vest's armament is a noisy but harmless popgun. Ir appears that the saloons of Hop-kinsville are not doing a very extensive business, as six of them are temporarily closed, the proprietors having failed to pay their license.

It is intimated that Mr. Cleveland has notified Speaker Crisp that the Ways and Means Committee of the new House must be made up of Tariff smashers and Free-traders, and that Mr. Crisp has promised, in the event of his tion to the Speakership, to obey What with supervising the organization of Congress and indirectly ling in electing Mr. Murphy to the nate from New York, Mr. Cleveland is so busy nowadays that he has to take his dinner pail along with him whe he goes to work.

me of Isaac Pusey Gray seem The name of Isaac Pusey Gray seems to have been eliminated from all the Cabinet slates recently. Mr. Gray appears to be in very hard luck. He was promised the nomination for Vice-President, but missed it by the Hill men's promised the nomination for Vice-President, but missed it by the Hill men's intrigues. Then, it is said, he was induced to take off his coat and work for the success of the Democratic ticket the success of the Democratic ticket with the understanding that he would be invited to take a seat in Mr. Clevalland's Cabinet, but according to the land's Cabinet, but according to the lanest advices there is absolutely no hope for the Indiana statesman.

An Old Wer to be Reviewd.

Ashland Ness.—Catlettaburg will soon revive the crusade of some three years ago against the dens of infamy that haves lo long polluted the place, and given the citya name that is recognized all along the Obio river as synonymous with immoral debauchery. The towas has, of late, had great additions in the way of demi monde, many of those who left the upper Ohio and Pittsburgh, particularly at the recent clearance at that point, have drifted down the stream from town to town, and what failled to stop, at Huntington recognized Catlettaburg as a promising place, and so located. An active weeding out will soon begin.

hang piace, and so ocated. An edveweeding out will soon begin.

The Weather-oard River.

Last night was the coldest experienced'
this winter, the thermometer registeringthe winter, the thermometer registeringthe more and the registering the sound there is no doubt considerable suffering
from the cold by some of the inhabitants
of certain parts of the city.

There having been but little cold
weather the past six winters, the people
have not been accustomed to it and it is
therefore only the more severe. In the
large cities there can be no small amount
of suffering, as many of the poorer class
are thinly clad and fuel is very high on
account of the innavigable condition of
the river, thus rendering it almost lanpossible for them to shield themselves
from the biting cold.

The ice blocked at Charleston Bar
about 3 o'clock yesterday afternoon and
has remained so ever since, and is now
goveged many miles up the river. It is

Ceurt May Inver Had an Effect.

WASHINGTON, Jan. 11.—Benjamin F. Buller, the lawyer, statesman, politician and millionsire manufacturer, died at his Washington residence, No. 220 New Jersey avenue, southeast, at thirty minutes past one o'clock Wednesday morning. The general has always, to dence in Washington, although many of the scenes of his successful ventures have been located elsewhere. During the present winter a case which had been decided against him in the high-est courts of the state of Massachusetts, U. S. supreme court, has demanded his almost constant residence in this city. Every Monday he was a familiar figure at the seasions of that body, when the decisions were handed down.

His age, as well as the general important of the court of remark time and time again. Finally a few weeks ago, the case was decided against him. Whether or so the loss of this case, to which he had paid such closs attention, rows of a canual defeat will not be known.
